- *shall issue to each shareholder to whom said partial share accrues, a stock certificate evidencing the ownership of a fractional share in the amount of such partial interest, which fractional share may be voted and shall participate in all dividends and distributions.*
- *shall issue to such shareholder to whom a partial share accrues, a scrip certificate evidencing such interest, which scrip may not be voted or participate in dividends, but which scrip, when accumulated and held in an amount equal to a full share or shares, may be exchanged for a stock certificate or certificates evidencing an equal interest.*
